

SPONSORSHIP

On behalf of the Organizing Committee we are happy to announce the [EFFoST/IFT-NPD WORKSHOP ON NONTHERMAL PROCESSING OF FOODS](#) which will be held on 07-09, October 2024 in Potsdam, Germany. The Workshop is organized by the European Federation of Food Science & Technology (EFFOST), the Institute of Food Technologists (IFT), and the IFT Nonthermal Processing Division. The Leibniz Institute of Agricultural Engineering and Bioeconomy will be the local organizer and host.

The Workshop with the theme “nonthermal processes to foster diversity, sustainability and resilience of future food systems” is aiming to provide a global meeting point and forum for experts in the field of nonthermal processing of food from academia and research, food professionals, equipment manufacturers and students. The objective will be the exchange of state of the art knowledge on developments on research and applications and the enhancement of progress in the field via interaction and synergism.

Coming back to Europe after 4 years and following the high standards set by the recent successful and well-attended Workshops the 2024 Workshop aims to attract an international audience from Europe and the US and all the world regions active in nonthermal research and applications.

We would like to invite you to participate actively at this event by participating in our sponsorship programme:

- Present your company to an international audience
- Sponsor this important event either financially or with products

You can find several attractive sponsorship options in the following list of sponsorship options. If you have any questions, please contact us at npw2024@atb-potsdam.de

You are welcome to contribute actively to the Workshop’s success and increase the awareness for your company by becoming a sponsor! We prepared some sponsorship options for you, starting at € 1000. We appreciate your support!
